

lib•er•tine (lib'ər tēn', -tin) - defined as "A person who behaves without moral principles or a sense of responsibility especially in sexual, political and religious matters." It also can be defined as an extreme form of hedonism.

Libertine pays homage to the history of this building "the former Parker-Spruce Hotel". At the same time, we celebrate the neighborhood and its importance in the struggle for equal rights for all, regardless.

3 courses for \$35
